**FOOD  
SHUTTLE**

2022- 2023  
**GRATITUDE  
REPORT**

A Year of **IMPACT**

Dear Friends of Inter-Faith Food Shuttle,

First, we would like to thank each and every one of you who contributed your time, your talents, and/or your treasures to our community this past year. In 2022 we shared our objectives with you that this would be a year of listening and learning from our community partners, and our neighbors with lived experience with a key focus on our shared values. Together we wrestled with the challenges of inflation, rising food costs, and government subsidies that ended for thousands across our NC communities.

For 2023, we labeled it a “year of impact”. Our strategies this past year were community-informed and included actions that lead to new initiatives that are truly having an impact. Our Limited Farmer Initiative is an intentional

effort to support limited resourced farmers right here in North Carolina. Small local farmers play a significant role in redefining our local food systems and what we all know to be food deserts. We also partnered with Leadership Raleigh 46 to build a business plan to relaunch and expand our Culinary Apprenticeship Program (CAP) in the 2023-24 fiscal year. CAP is a workforce development program geared toward helping our neighbors learn valuable skills in the culinary arts, while also working towards our mission of FEED, TEACH and GROW.

Together we were able to accomplish all of this because we listened, we learned, and we applied neighbor centered strategies. Because of you, our impact on the lives of thousands of neighbors throughout central North Carolina were and continue to be life changing. Our focus remains not on the number of pounds of food out the door, but the fundamental impact on the lives of everyday North Carolinians. We walked in our belief that a community truly takes care of community.

As we grow forward, we will continue to meet the needs of our neighbors, advocate for change, and speak on behalf of those that feel unheard. Our continued collaborative focus remains on improving access to healthy, nutritious foods, educational experiences that empower, and training that leads to better lives for our neighbors. Thank you for your continued support and belief in our shared vision of a hunger-free community.

Yours in service.

## Our Vision

A hunger free community

## Our Mission

We feed our neighbors, teach self-sufficiency, grow healthy foods, and cultivate innovative approaches to end hunger.

## Our Core Values

We **RESPECT** each person's inherent value.

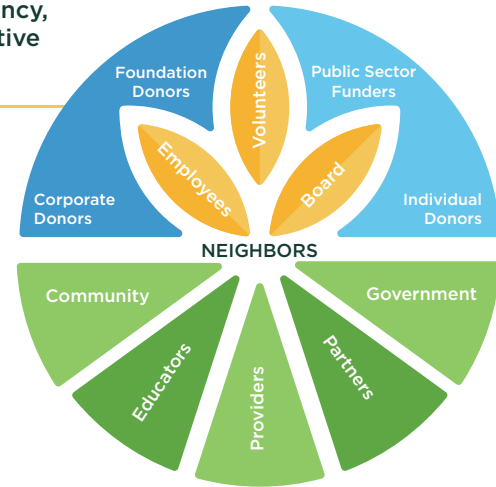

We approach everything we do with **INTEGRITY**.

We **COLLABORATE** to build strong relationships.

We believe **HEALTH** is the foundation of any community.

We commit ourselves to achieving **EQUITY**.

We **SERVE** with excellence, compassion, and responsiveness.

## FIVE-YEAR STRATEGIC PLAN

### YEAR 2, 2022-2023 Goals Achieved

- Maximized Fair Share model with Food Bank of Central and Eastern NC resulting in more equitable distributions.
- Established a successful purchase program with more than 10 Limited Resourced Local Farmers.
- Launched new Agricultural Technology introducing the Farm Bot for middle school students.

### YEAR 3, 2023-2024 Objectives

- Expand partnership with the Food Bank of Central and Eastern NC by completing a new Local Agreement and joint community assessment.
- Expand Culinary Apprenticeship program participation by 25% with a 90% graduation rate.
- Execute a new Learning Management System for continual employee development.

## NEIGHBOR SPOTLIGHT

**Brenda Rogers** is driven to be self-sustaining and independent. She has a part-time job at Amazon, exercises, and attends church, all while navigating life as a blind person. Like many neighbors in our community, she struggles to meet her essential needs like food. Mrs. Rogers and her lovable guide dog Al take a cab every two weeks to the *Blessings in Bags* Mobile Market at Martin Street Baptist Church in Southeast Raleigh. The market plays a critical role in meeting budget needs and keeping food on the table, “It really is a touch of kindness.” Fresh produce, like sweet potatoes and greens, are personal favorites. Mrs. Rogers shares her “blessings” with neighbors, often splitting a big cabbage or other groceries. “The Mobile Market makes sure people have food to eat.”

## VOLUNTEER SPOTLIGHT

**Etta Barksdale and Michael Ross** show up ready to work almost every Tuesday and Thursday at the Camden Street Learning Garden. “I was familiar with the Inter-Faith Food Shuttle’s mission and had purchased vegetables and flowers from the Inter-Faith Food Shuttle’s Farm Stand. Mike and I both enjoy gardening, so when a friend suggested volunteering at the Camden Street Gardens, it sounded like a perfect opportunity.”

What’s the most satisfying thing about volunteering? Mr. Ross shares, “the fitness I gain and the sense of accomplishment. I hope it’s beneficial for the gardens as well.” And for Ms. Barksdale; “knowing that I’m contributing to the Food Shuttle’s mission and getting to hang out with good people.”

## COMMUNITY PARTNER SPOTLIGHT

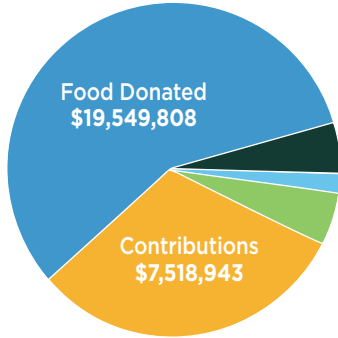

**Martin Street Baptist Church** in Southeast Raleigh is known for its big heart and open arms. Since 2012, the church has been running the Blessings in Bags Mobile Market, putting food in the hands of over 900 neighbors every month. Homebound neighbors can even count on food box delivery to their doorsteps. This standout program is now a Mobile Market Training Site for the Food Shuttle. Rhonda Currie, manager of the market, shares their deep understanding and commitment to the community. “We get as much from serving our neighbors as they do from us. We all understand the need for food and can relate to higher grocery bills. We see mothers and grandmothers, children and dads, seniors and juniors. We know when they leave, they will have food to eat and not suffer hunger.”

## DONOR SPOTLIGHT

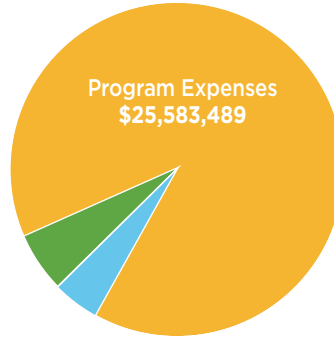

In summer of 2023, **Chiesi USA** stepped up to the bat for kids for a second year with a \$25,000 challenge match for our Back to School campaign! Their support inspired \$56,047 in giving during the campaign launch month, giving us a game-changing push towards our total of \$82,000. Because of their support and yours, our children and school families are off to a strong start, knowing they will have consistent access to healthy food during the school year ahead. Our partnership extends well beyond the matching challenge, however. Since 2017, they have provided over \$350,000 for Backpack Buddies and School Choice Pantries, Agriculture Education, Nutrition Education, COVID-19 Emergency funding, and the Food Shuttle Farm. This multi-tiered support is a homerun for our neighbors!
