**FOOD  
SHUTTLE**

2021 - 2022  
**GRATITUDE  
REPORT**

A Year of **IMPACT**

Dear Friends of Inter-Faith Food Shuttle,

This has been a year of listening to and learning from our partners and those we serve, and we intend to continue doing so in the coming year. Thanks to the partnership of generous supporters like you, we are putting systems in place to ensure that the voices of our neighbors are heard and that their needs are fully understood by our staff and volunteers. As our communities continue to transition through the pandemic and are grappling with the strains of inflation, this reminds us that community-informed responses are the best strategy to meet the challenges ahead.

According to Feeding America, the rate of food insecurity across our service area is 11.9% - lower than the 12.6% recorded in 2019, just before the pandemic. This speaks to the success and timeliness of the child tax credit and other federal assistance provided during 2020 and 2021. Now, as those benefits are being halted, food banks such as ours are bracing for an influx of need. Our urban neighbors are increasingly priced out of their homes due to gentrification. Our rural neighbors continue to face the impacts of unemployment, limited transportation, and lack of access to sources of nutritious food. All neighbors, no matter where they live in our service area, are feeling the effects of food and fuel inflation. Your support has been invaluable as we have addressed this ongoing need. Thank you!

Tapping into the lived expertise of our neighbors experiencing hunger is the only way to create a hunger free community. We remain vigilant, hopeful, and determined as we collaborate strategically to dismantle the root causes of hunger. When food insecurity no longer exists, we create food justice - and thereby achieve our vision to end hunger in our community. Please accept our gratitude for your essential role in helping us to deliver our mission each day as a "community taking care of community."

Yours in service,

## NEIGHBOR SPOTLIGHT

**Helen White** is a woman of strength and resilience. For years, she cared for her disabled adult son and young grandchildren, while working overnights as a nursing assistant. Last December, she lost her home and was forced to move with her son into a local hotel, while her grandchildren went to live with another relative. Through the assistance of Helping and Healing Hearts, Inc. and Inter-Faith Food Shuttle, Helen and her son were provided with nutritious food and fresh produce to ensure that they had plenty to eat. Finally, after five long months, Helen and her son moved into a lovely, permanent home—and the Food Shuttle helped to stock her new pantry. Thanks to our supporters, the Food Shuttle is making a difference in the lives of our neighbors in our community.

## VOLUNTEER SPOTLIGHT

When **Leanne Brisbin** retired, she wanted to contribute to her community in a meaningful way. Since 2019, Leanne has given over 400 hours of service as a volunteer at the Food Shuttle. She shares her time as a delivery driver for Backpack Buddies, Summer Meals, and Grocery Bags for Seniors, as a warehouse assistant, administrative assistant, and for a variety of special events. Leanne also recruits friends and family members to join her in volunteering. “Inter-Faith Food Shuttle’s diversity of approaches to addressing the problem of hunger in our community drew me to them,” says Leanne. “As a volunteer, I love being able to contribute in a variety of roles knowing that I’ve been a small part of the Food Shuttle’s expansive reach.”

## COMMUNITY PARTNER SPOTLIGHT

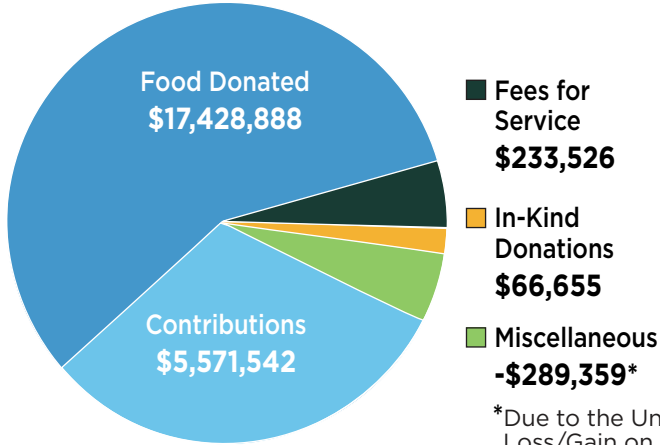

Following the fall of Afghanistan in August 2021, **Lutheran Services Carolinas** received an unprecedented volume of Afghan humanitarian arrivals. Faced with the care and feeding of so many, LSC reached out to Inter-Faith Food Shuttle. Within a week, the Food Shuttle delivered a freezer to store the halal meat which had been ordered to meet the dietary needs of LSC's Muslim clients. Since then, the Food Shuttle has made weekly deliveries of fresh produce, staples, and protein sources. On average, this partnership feeds approximately 40 families consisting of 175-200 individuals each week. As refugee and Ukrainian humanitarian arrivals pick up, this partnership is vital in meeting the nutritional needs of LSC's clients.

## DONOR SPOTLIGHT

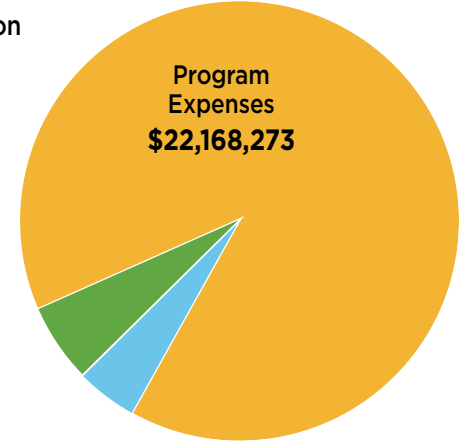

The **Leon Levine Foundation** is known for strengthening partnerships that make the Carolinas thrive. Such a partnership has proven fruitful with Inter-Faith Food Shuttle through gifts totaling over a quarter million dollars. The Leon Levine Foundation has provided support for Food Shuttle initiatives to empower our neighbors to overcome the burden of hunger by addressing its root causes through education, agricultural development, and community health. The Foundation's most recent gift of \$75,000 has directly funded efforts to assist our neighbors facing an inflationary economy, with rising food, fuel, and housing prices. Partnerships such as this enable the Food Shuttle to continue our programs dedicated to creating a hunger free community here in central North Carolina.
